Re: The Richard H. Beckman Estate Auction and Home Sale.

Dear Tim:

This is a long overdue letter to thank you and all the extraordinary people at McCulloch Systems for the work you accomplished on our behalf. Being a complete stranger in Fort Wayne and faced with all the "stuff" from 4 generations of family was truly overwhelming. Your sincere, honest understanding of our dilemma was deeply appreciated by my wife and myself. I have dealt in the business world for well over 40 years and only rarely do you have the pleasure of working with people of integrity like yourself and those working for you at McCulloch Systems. You and your entire crew were truly remarkable in how you handled every facet of the auction and the sale of the house. There are not words enough to express how grateful Pat and I are to have had your compassionate, honest expertise in getting us through a very difficult time in our lives.

A handwritten signature in cursive script that reads "Art & Pat Beckman".

Very-Very Grateful,
Art and Pat Beckman
