RE: Case # 26012292: Rosalie Fernandez

We are very glad to inform you of this highly complimentary letter from one of your consumers. It was very refreshing to receive it since about 99% of our mail deals with complaints on companies.

Thank you so much for the favorable experience given to this consumer.

Sincerely,

Maria Anciani-Dutt

Consumer's Original Complaint :

Tim McCulloch

required_Compilments: McCulloch Systems is an awsome company. They have helped several of my family members with various things from moving to auctioning my mothers home. They are the type of company that will go that extra mile. I have never experienced such great customer service.
